

The students' experience of Euroscola in their own words.....

It was truly the best experience of my life to date. I had the best time making new friends both at home and abroad, not to mention use of French in the native country. An unforgettable experience!!

Completely different from what I had expected.....really useful and interesting experiences. I am honoured and glad to have been chosen for this experience. I met loads of really lovely people and made lots of new friends. Thanks!!

So glad I came on this trip.....totally worth it! I was so nervous because I did not know anyone, but everyone was lovely. It was totally interesting experience too. I improved my French so much and met loads of people. I'm so happy I was chosen for this trip. Thanks!!!

C'était une expérience inoubliable! So glad I came on the trip! My knowledge of the country and the language has improved. I met lots of new friends from different countries - enjoyed every minute. It was everything I expected and more!! Thank you for the opportunity.

Le voyage s'est très bien passé! Pendant notre séjour j'ai amélioré mon niveau de français et j'ai fait beaucoup de nouvelles connaissances pour maintenir des correspondances assez régulières: par exemple, des Autrichiens et des Autrichiennes, sans oublier les beaux Slovènes qui ont dansé avec une finesse lors du bal écossais. Ils ont également parlé très bien l'anglais.

C'était fantastique! I was really glad to have had the chance to go on this trip - and I loved every minute of it. The Euroscola day was definitely my favourite as I enjoyed walking (and making friends) with people from other countries. Being a rapporteuse was also a lot of fun, as well as nerve-racking! I was delighted to be able to represent young Europeans on the subject of 'the Future of Europe'. Thank you!

Being in a hemicycle with 400 people of my own age from 13 different countries was pretty unique!

I loved being immersed in the language and meeting people from all over Europe. Talking at the European Parliament was so exciting and gave me an insight into European politics.

The trip has been fantastic from start to finish. I will never forget my day at the European Parliament - I now feel like a true European citizen. The best part of the trip was the ceilidh without a doubt! I have made good friends with visitors from Austria. I plan to take a greater interest in European issues due to this experience - ta!
