Flexible Learning Resource Pack

[HIGHER]

The Open, Flexible and Distance Learning (OFDL) project has been guided by a steering group comprising representatives from the following organisations. Grateful thanks are extended to all involved.

Learning and Teaching Scotland
HM Inspectorate of Education
Scottish Further Education Unit
Heriot Watt University
Scottish Qualifications Authority
Scottish Councils' Learning and Resources Network
Colleges' Open Learning Exchange Group

The OFDL project has been funded by the Scottish Executive Education Department (SEED) as part of the Staff Development for Effective Teaching (SDET) initiative.

The publishers are grateful to COLEG for permission to use the COLEG *Millennium Guidelines for the Development of Self Study Learning Materials* as part of the support offered to writers. The publishers further acknowledge this source as the template on which the design and structure of these materials are based.
