

Images and video permissions (Over-16s)

Learning and Teaching Scotland (LTS) produces websites, publications and resources for Scottish education, sometimes in partnership with other organisations such as HM Inspectorate of Education (HMIE).

We would like to ask for your permission to allow LTS (or partners) to use images or footage of you in:

1. Our printed publications such as reports and magazines.
2. Our websites on the world wide web.
3. Glow, the Scottish schools intranet, which is a secure online network managed by LTS for Scottish pupils, teachers and parents.
4. Our digital resources such as videos, CD-ROMs, DVDs and presentations.
5. Scottish, UK or international media reports or adverts.
6. Other online channels used by LTS and its partner organisations.

LTS will not pass on the images or recordings to be used by any other organisation (apart from our partner organisations) except to illustrate features promoting our materials.
