

Early Education Strategy: Early Intervention

Partnership for Effective Literacy Teaching (PELT) Evaluation for session 2001/2002

Please answer the questions that apply to your situation.

Name:	Class:
School:	Initiative involved in:
1. At the beginning of the initiative what was your expected outcome?	
From your perspective has it been achieved? YES/NO (If 'yes' refer to the next question.)	
2. How has this contributed to, and affected, learning and teaching?	
What is your evidence?	

3. Were the initial 10-day training sessions beneficial to you? YES/NO (If 'yes', in what ways?)

4. What was the improved attainment in literacy (including increased levels of confidence, mark making, have-a-go approach)?

5. How has the Early Intervention Nursery Nurse been deployed in your setting to support PELT?

6. What other strategies have you employed to support PELT?

7. How often have the resources been used to support Guided Reading/Guided Writing?

8. Has the support from The Early Intervention Early Years Support Officers been beneficial?

If so, in what ways.

If you wish, please give your comments on the initiative you were involved in, to help us evaluate its effectiveness.
