

STAFF DEVELOPMENT PACKAGE - README

The contents of the *Staff Development Package for Working with the Effects of Trauma* are to be found in the accompanying six sections:

1. Transitions, Change and Crises
2. The Nature and Incidence of Critical Events for Schools
3. Loss, Bereavement and Trauma: Grief and Crisis Reactions in Children
4. School Readiness and Contingency Planning
5. School Response to a Crisis
6. Protection and Vulnerability.

Each section includes a set of aims, background literature, a script for delivering the material, associated OHPs, handouts, leaflets, factsheets, tasks, exercises and checklists, as relevant. The lists of references may be supplemented by the separate lists of texts (prepared by another subgroup of the project) for use by parents, teachers, children and teenagers, provided in the main report.
