WIN, PUT
SECTARIANISM
IN THE BIN!**

The theme of our project
anti-sectarianism.

What is Sectarianism?
Sectarianism is a form of abuse. It's about treating people differently because of their religion or nationality. It can come in all forms from name-calling to fights and even worse.

Why are we doing this project?
Well, we are doing it because we don't want people to be treated unfairly or feel unwanted and unhappy.

What are we doing?
Both schools have been working together to learn more about sectarianism. We have designed a leaflet and a bookmark to send out this message to everyone in our community. We are also holding a 'Festival of Unity' and invited our local community to come together and listen to our musical drama 'Tomorrow's Children'.

We want to
live in peace
and harmony.

Don't hate,
Don't
discriminate!

What can you do to help?

See people for who they are.

Be tolerant and patient with others.

Be kind and helpful to others.

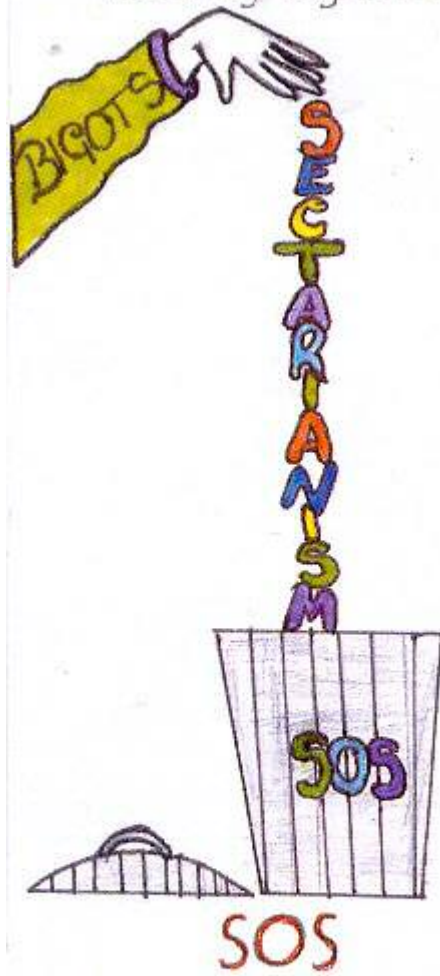

Don't use racist or abusive language.

Enjoy football without singing hurtful sectarian songs.

You can help us make a difference.

Don't hate - Be a mate!
